

Revere Soccer Club

Refund Policy – Effective for Spring 2026

Goal:

This document is provided to clearly state the refund policy for Revere Soccer Club registration fees. All refund requests must be clearly stated via email and sent to info@reveresoccer.com. The goal is to relieve the parents of financial loss when the Revere Soccer Club (RSC) can do so, to the extent that RSC does not incur time or financial loss.

Affected:

Time – All registrations require significant RSC time.

- Received applications incur time by Directors, Registrars and Treasurer
- Applicants placed on teams incur time by Director of Coaching, DOC staff, Board members, Registrars and Commissioners
- In the event of a cancellation, additional time is required to reprocess

Money – Expense is incurred when applicants are registered with OHTSL and US Club.

Refund Policy after Revere Soccer Club registration deadline:

Upon clearly written request by the parent or guardian to info@reveresoccer.com, the following refund schedule applies to players who have registered but do not end up playing in a given season:

- Refund 100% for players not placed on a team due to RSC or league restraints

Travel Program Refunds:

- Refund 100% for players not placed on a team due to RSC or league restraints
- Refund 50% of the registration fee if refund request received on or before April 1, 2026
- Refund 0% of the registration fee if refund request received after April 1, 2026

Academy & In-House Program Refunds:

- Refund 50% of the registration fee if refund request received before the season's posted registration close date
- Refund 20% of the registration fee if refund request received on or before the first practice (U8/9) or the first Saturday session (U6/7)
- Refund 0% if requested after the first Saturday session
